This is a decision on the petition pursuant to 37 C.F.R. § 1.137(b)¹, filed January 31, 2008, to revive the above-identified application.

This petition pursuant to 37 C.F.R. § 1.137(b) is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the non-final Office action, mailed January 23, 2007, which set a shortened statutory period for reply of three months. No response was received, and no extensions of time under the provisions of 37 C.F.R. § 1.136(a) were requested. Accordingly, the above-identified application

- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;
- (4) Any terminal disclaimer (and fee as set forth in 37 C.F.R. § 1.20(d)) required pursuant to paragraph (d) of this section.

Decision on Petition pursuant to 37 C.F.R. § 1.137(b)

With this petition, Petitioner has submitted, *inter alia*, the petition fee, the proper statement of unintentional delay, and an amendment. A terminal disclaimer is not required.

As such, the first three requirements of Rule 1.137(b) have been met. The fourth requirement is not applicable.

The Technology Center will be notified of this decision. The Technology Center's support staff will notify the Examiner of this decision, so that the amendment that was filed concurrently with this petition can be processed.

Telephone inquiries regarding *this decision* should be directed to the undersigned at (571) 272-3225². All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
